

LAWSON, MISSOURI · 60 ACRES · WHERE PRECISION MEETS TRADITION

A private, membership-based hunting club and shooting range — three ranges, a clubhouse, and on-site lodging on sixty acres of managed Missouri timber and field.

Opening upon approval of our Ray County permit · Apply for membership now

Rifle Range

300 YARDS, GROWING TO 750

Eight open-air benches on 130+ feet of firing line, with steel and paper staged from 50 out to 300 yards. The range sits in a natural valley, so the hillsides themselves form the backstop.

Archery Range

DEDICATED BOW LINE

A dedicated bow line backed by large round hay bales, with animal targets set out alongside. Separate from the firearms lines, so you never wait on a cease-fire. Field points only.

The Clubhouse

UNDER RENOVATION

An original ranch-style farmhouse being restored room by room. Every dollar the club takes in goes back into finishing it.

Pistol Range

INCLUDED WITH MEMBERSHIP

Handguns share the main firing line on a first-come basis, typically shot from 7 to 25 yards. Reactive steel plates are available on request.

Whitetail Hunting

STAND SLOTS BY SEASON

Paid stands across the Missouri archery and firearms portions on 60 managed acres, reserved once the club opens. Every reservation holder is guaranteed a stand; an impartial order only sets the pick sequence.

Stay On Site

LISTED ON AIRBNB

A 2025 destination trailer with a double loft that sleeps eight, a King bed, and a deck overlooking the property. Member rates available — ask when you book.

Club App & Chat MEMBERS · FREE ON GOOGLE PLAY

Club Chat with channels, friends and groups, plus the member forum and club announcements, in the app and at back4osc.com.

Meet Brew

CLUB MASCOT

Our miniature Highland bull spends his days inspecting the property, greeting guests, and accepting payment in the form of treats. He is, by his own account, in charge.
