HOW IT WORKS

1

Pick your date

Closed Mondays for the club work day.

2

Sign the waiver

Sign online before you arrive. Each shooter gets their own emailed link.

3

Check in and shoot

Stop at the range check-in window, take a quick safety briefing, and you're on the line.

What's included

- ◆ **Full-day access** to the 300-yard rifle range, pistol range, and archery range
- ◆ **Accompanied** at all times by your sponsoring member or club staff — Back40 is a private club
- ◆ **Electronic waiver** signed at purchase, with a safety orientation on arrival
- ◆ **Restrooms and running water** on site

Bring your own equipment

The club does not rent, loan, or sell firearms, bows, ammunition, or arrows. A day pass buys range access, not equipment.
